

**Our Mission...**

*to be responsible stewards of the public trust,  
to strive for excellence in public service, and  
to enhance the quality of life for all.*

***The following Building Permit Fee summary is only an example and does not include your correct square footage, your correct water meter size or the roadway impact fees.***

***For Shell Building Permits and Commercial Building Permits:***

***You will need to adjust the square footage, the size of water meters for your irrigation water only and domestic water and sewer combined that is found in the water and sewer impact fee table and account for the roadway impact fees as found in the roadway impact fee chart.***

***For Finish-Out Building permits and Commercial Building Permits:***

***You will need to adjust the square footage only. If square footage is being added then you will need to add in the Fire Development fee per square foot located in the Comprehensive Fee Schedule and account for the roadway impact fees as found in the roadway impact fee chart.***
